OFFICE OF THE PRESIDENT

December 20, 1977

Mr. Norbert R. Berg  
Assistant to the Chief Executive Officer  
Control Data Corporation  
8100 34th Avenue South  
Minneapolis, Minnesota 55440

Dear Norb:

That was such an enjoyable, stimulating good time yesterday...Mr. Norris in person turns out to be as fabulous and more so as I had been expecting!

All of us are most grateful that you were able to arrange the visit and I hope our chef disappointed neither you nor FORBES' guest of honor.

Incidentally, my secretary told me you admired that wildlife calendar and it is a pleasure to enclose it.

May the coming year be a prosperous and happy one for you and yours and especially Mr. Norris and Control Data!

Cordially,  
*Malcolm S. Forbes*
