Dear Mr. Norris,

On behalf of the Subcommittee, I want to thank you for testifying at our hearing on takeover tactics and public policy. Your testimony will be very useful to us as we evaluate the impact of current takeover tactics and the adequacy of our laws to regulate the takeover process.

On a more personal note, you have always provided me with a wonderful example of entrepreneurial activity with a conscience. Your efforts to rebuild inner city neighborhoods, encourage small businesses, and bring health care to native Americans are all examples that I have drawn upon in the past. As you are probably aware, my office is often in contact with your Washington office regarding our telecommunications jurisdiction, as well as our efforts to increase the importance of education on our Nation's list of priorities. Given all of this, I was not in the least surprised to hear your testimony -- it is what I have come to expect from Bill Norris! I hope that our paths will cross again, perhaps at a time when we can have a more in-depth conversation.

Again, thank you for testifying, and I hope you will continue to work with us in our review of the important issues in the takeover process.

With best wishes,

Sincerely yours,
Tim Wirth
