Mr. William C. Norris, Chairman Emeritus of the Board, HQHBLF
Control Data Corporation
8100 34th Avenue South
Bloomington, MN 55420

Dear Bill:

Just a quick note to say that you did one hell of a job as the guiding genius of Control Data and, in spite of current difficulties, you built a great company. I am proud to have been associated with you through Commercial Credit, and I only wish there were more CEO's around the country who had the kind of vision and guts and willingness to tackle social problems in the process of making a profit that you have exhibited in your career at Control Data.

With warmest regards
