GOVERNOR

August 19, 1965

Dear Bill:

While visiting your facilities at Arden Hills and Bloomington this spring, I noted the absence of a Minnesota Flag. I am sending to you under separate cover two flags as a token of appreciation from the people of Minnesota for the great contribution you and your organization have made to Minnesota.

Please accept my personal thanks for all you have done to help your home state.

Sincerely yours,

Karl F. Rolvaag  
GOVERNOR
